Entrepreneurial Performance

We are very pleased to honour you with the "Volkswagen Group Award" for achievements in the area of entrepreneurial performance. With this award, we wish to recognise the special entrepreneurial commitment of your company. This refers, in particular to price-performance ratio, exceptional flexibility in start-ups as well as innovative capability in respect of cost optimisation and process improvement.

Puebla, May 27th 2005

Ing. Otto Lindner

Lic. Rafael Piñero
